Shahnameh
From Madonna to Deepak Chopra, celebrities have been recording and embracing Rumi's poetry for the past two decades, creating a resurgence of interest in this 14th century Sufi mystic. India in Translation Through Hindi Literature
The acclaimed New York Times bestselling author of Smash Cut, Flannery, and City Poet delivers the first popular biography of Rumi, the thirteenth-century Persian poet revered by contemporary Western readers. Ecstatic love poems of Rumi, a Persian poet and Sufi mystic born over eight centuries ago, are beloved by millions of readers in America as well as around the world. He has been compared to Shakespeare for his outpouring of creativity and to Saint Francis of Assisi for his spiritual wisdom. Yet his life has long remained the stuff of legend rather than intimate knowledge. In this breakthrough biography, Brad Gooch brilliantly brings to life the man and puts a face to the name Rumi, vividly coloring in his time and place—a world as rife with conflict as our own. The map of Rumi’s life stretched over 2,500 miles. Gooch traces this epic journey from Central Asia, where Rumi was born in 1207, traveling with his family, displaced by Mongol terror, to settle in Konya, Turkey. Pivotal was the disruptive appearance of Shams of Tabriz, who taught him to whirl and transformed him from a respectable Muslim preacher into a poet and mystic. Their vital connection as teacher and pupil, friend and beloved, is one of the world’s greatest spiritual love stories. The secret of Rumi's devotion to a "religion of love," remarkable in his own time and made even more relevant for the twenty-first century by this compelling account.

Selected Poems from the Divani Shamsi Tabriz
Selection of the lyrical poetry of Jalaluddin Rumi.

The Illuminated Rumi

Describes the geography, people, culture, and politics of the countries of the Middle East, Central Asia, and North Africa.

The sayings of Rumi and Iqbal
Jelaluddin Rumi (1207-1273) led the quiet life of an Islamic teacher in the central Anatolia (modern Turkey) until the age of thirty-seven, when he met a wandering dervish named Shams Tabriz—through whom he encountered the Divine Presence in a way that utterly transformed him. The result of this epiphany was the greatest body of mystical poetry the world has ever seen, and the establishment of a spiritual movement that would eventually stretch from Africa to China, enduring to our own day. This collection of versions of Rumi by Andrew Harvey contains some of the master's most luminous verse, along with selections from his lesser-read prose works, with the aim of presenting a balanced view of his teaching that includes both the high-flying love of God and the rigorous path of discipline essential for those who seek it.

Rumi

"Love is a stranger and speaks a strange language," wrote Rumi, one of the world's most beloved mystical poets. His poems of spiritual love still speak directly to our hearts after more than seven hundred years. These classic selections contemplate separation and longing, intoxication and bliss, union and transcendence.

Rumi: The Book of Love

Rumi has become one of the best-selling poets in North America. Practically every biography highlights his encounter with Shams-i Tabrizi, the wandering mystic who became his beloved companion. Rumi had been a sober scholar, teaching law and theology to a small circle of students, but Shams turned him into a devotee of music, dance, and poetry. Then, after three years, he vanished, never to be seen again. It was Rumi's longing for the lost Shams that made him one of the world’s greatest poets, celebrating him as the embodiment of the divine beloved. This book makes available for the first time in any European language first-hand accounts of Shams that have never been studied by Western scholars. When Rumi and Shams talked, members of the circle took notes, which were preserved and sometimes copied by later generations, ending up in various libraries scattered around Turkey; this book arranges them in a manner that clarifies their meaning and context, with notes and a glossary.--From publisher description.

The Kabir Book

Marked by lyrical beauty and spiritual insight, a deep understanding of human suffering that coexists with rapturous abandon, the poems of Jalaluddin Rumi continue to be relevant almost eight centuries after they were composed, with contemporary audiences finding new meanings in them. Rumi's poems bring together the divine and the human, the mystical and the corporeal to create a vivid kaleidoscope of poetic images. While many recent 'translations' have sought to give Rumi's poetry a certain hippy sensibility, robbing it of its true essence, Farrukh Dhondy attempts to bring out the beauty and sensibility of the verses whilst imitating the metre of the original. Dhondy's translations provide a modern idiom to the poems, carefully keeping intact their religious context.

Rumi's Secret

Love, devotion, suffering and longing mysteriously co-exist in the poems of Jalal-ud-din Rumi. Composed almost eight centuries ago, the deep spirituality and buoyant wisdom of the poems are a source of inspiration to millions today. Farrukh Dhondy’s translations not only offer a modern idiom to the poems, but also faithfully keep intact their religious context. With selections from Rumi's masterpieces the Masnavi and Diwan-e-Shams, as well as his ghazals, this volume is a poetry lover’s treasure-trove.

The Rumi Collection

An immortal voice speaks on the greatest poetic theme in this English-language selection of the works of Rumi. Enriched by the lush calligraphic illustrations of Arabic artist Lassad Metoui, the poems bear remarkable power and emotional intensity, reflecting on the complexities of love, passion, pain, and faith. These songs of the spirit offer an intimate introduction to the poet’s genius, as well as a sublime meditation on the mysteries of love.

The Essential Rumi - reissue

"When I run after what I think I want, my days are a furnace of stress and anxiety; if I sit in my own place of patience, what I need flows to me, and without pain. From this I understand that what I want also wants me, is looking for me and attracting me. There is a great secret here for anyone who can grasp it."

The Illustrated Rumi

In this lyrical, exuberant follow-up to her novel The Bastard of Istanbul, acclaimed Turkish author Elif Shafak incarnates Rumi’s timeless message of love The Forty Rules of Love unfolds two tantalizing parallel narratives—one contemporary and the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together explore the enduring power of Rumi’s work. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read
and report on Sweet Blasphemy, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams's search for Rumi and the dervish's role in transforming the successful but unhappy cleric into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams's lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi’s story mirrors her own and that Zahara—like Shams—has come to set her free.

**Rumi: A New Collection**

What role have translations from Hindi literary works played in shaping and transforming our knowledge about India? In this book, renowned scholars, translators and Hindi writers from India, Europe, and the United States offer their approaches to this question. Their articles deal with the political, cultural, and linguistic criteria germane to the selection and translation of Hindi works, the nature of the enduring links between India and Europe, and the reception of translated texts, particularly through the perspective of book history. More personal essays, both on the writing process itself or on the practice of translation, complete the volume and highlight the plurality of voices that are inherent to any translation. As the outcome of an international symposium held at the University of Lausanne, Switzerland, in 2008, India in Translation through Hindi Literature engages in the building of critical histories of the encounter between India and the «West», the use and impact of translations in this context, and Hindi literature and culture in connection to English (post)colonial power, literature and culture.

**The Forty Rules of Love**

Originally published in 1976 and having sold more than 75,000 copies to date, Kabir is a classic. Now, we are proud to publish a revised, beautifully designed hardcover edition that includes 10 new translations. A weaver by trade but a poet-singer by calling, Kabir lived in fifteenth-century India. His philosophy incorporated the beliefs and practices of both Muslims and Hindus. Not only did Kabir influence these religious traditions, he was one of the major inspirations behind Sikhism as well. The power of Kabir’s words come from his passion—and also from his humor. He is at once irreverent toward authority and amazed by divinity. He demands that readers live for themselves. In the tradition of ecstatic poetry, Kabir writes of bodily delights and of choices made by the heart, not the mind. Columbia University professor of religion John Stratton Hawley’s new introduction places Kabir’s work firmly into modern times, explaining the value of Bly’s work with these poems. As our contemporary world struggles with political turmoil caused by religious beliefs, the poems of Kabir seem as relevant today as when they were first written.

**Rumi**

Born Jalal ad-Din Mohammed Balkhi in Persia early in the thirteenth century, the poet known as Rumi expressed the deepest feelings of the heart through his poetry. This volume consists of new translations edited by Deepak Chopra to evoke the rich mood and music of Rumi’s love poems. Exalted yearning, ravishing ecstasy, and consuming desire emerge from these poems as powerfully today as they did on their creation more than 700 years ago. ‘These poems reflect the deepest longings of the human heart as it searches for the divine. They celebrate love. Each poetic whisper is urgent, expressing the desire that penetrates human relationships and inspires intimacy with the self, silently nurturing an affinity for the Beloved. Both Fereydoun Kia, the translator, and I hope that you will share the experience of ravishing ecstasy that the poems of Rumi evoked in us. In this volume we have sought to capture in English the dreams, wishes, hopes, desires, and feelings of a Persian poet who continues to amaze, bewilder, confound, and teach, one thousand years after he walked on this earth’ - Deepak Chopra

**Teachings of Rumi**

Book Two of Rumi’s Masnavi is concerned with the challenges facing the follower of Sufi enlightenment. It interweaves stories and homilies in order to instruct followers of Rumi, the great thirteenth-century Muslim mystic. Jawid Mojaddedi’s sparkling new verse translation follows his prize-winning edition of Book One. ‘You don’t seek guidance from those drunken men, So why insist they mend their rags again? God’s lovers stand beyond all faiths, as they Are shown by God Himself a higher way.’ Book Two of Rumi’s Masnavi is concerned with the challenges facing the seeker of Sufi enlightenment. In particular it focuses on the struggle against the self, and how to choose the right companions in order to progress along the mystical path. By interweaving amusing stories and profound homilies, Rumi instructs his followers in a style that still speaks directly to us. In this volume, stories such as ‘Moses and the Shepherd’, ‘The Foolhardy Man who Trusted a Bear’s Good Intentions’ and ‘Mo’awiya and Satan’ are among the most popular in the entire Masnavi. The most influential Sufi poem ever written, the six books of the Masnavi are often called ‘the Qur’an in Persian’. Self-contained, as well as continuing the journey along the spiritual path, Book Two is here translated into rhyming couplets in the style of Jawid Mojaddedi’s prize-winning translation of Book One.

Urdu/Hindi: An Artificial Divide

Shares translations of the Sufi poet and mystic’s works that span the course of his life and include some of his most celebrated writings, in a volume that offers insight into classic Eastern thought.

A Year with Rumi

In a blow against the British Empire, Khan suggests that London deliberately set India’s Hindu and Muslim populations against each other in the 1800s by artificially splitting their one language in two, then burying the evidence in obscure scholarly works outside the public view. "Divide and rule" - the British were experts at that. All language is political - and so is the boundary between one language and another. The author analyzes the origins of Urdu, one of the earliest known languages, and propounds the iconoclastic views that, (1) Hindi came from pre-Aryan Dravidian and Austro-Munda (rooted in the Middle East/Mesopotamia), not from Aryan Sanskrit, and (2) Hindi’s script came from the Aramaic system, similar to Greek. Urdu/Hindi: An Artificial Divide integrates the “out of Africa” linguistic evolution theory with the fossil linguistics of the Middle East, and discards the theory that Sanskrit descended from a hypothetical proto-Indo European language and by degeneration created dialects, Urdu/Hindi and others. It shows that several tribes from the Middle East created the hybrid by cumulative evolution. The oldest groups, Austric and Dravidian, starting in 8000 BC, provided the grammar/syntax plus about 60% of vocabulary, Sanskrit added 10% after 1500 BC and Arabic/Persian 20-30% after AD 800. The book reveals Mesopotamia as the linguistic melting pot of Sumerian, Babylonian, Elamite, Hittite-Hurrian-Mitanni, with a common script and vocabularies shared mutually and passed on to Indo-European, Sanskrit, Dravidian, Arabic and then to Hindi/Urdu; in fact the author locates oldest evidence of Sanskrit in Syria. The book exposes the myths of Sanskrit or Hebrew as “revealed” languages and examines the fiction of linguistic races, i.e. Aryan, Semitic. The book supports the “one world concept” and reveals the potential of Urdu/Hindi to unite all genetic elements, races and regions of the Indo-Pakistan sub-continent. Khan bolsters his hypothesis with copious technical linguistic examples and quotes masters of Urdu/Hindi prose and poetry of the last three centuries, showcasing the passionate expressiveness of the language. * Abdul Jamil Khan, MD, served as chairman of a teaching hospital and as a professor of pediatrics he taught infant speech development in New York. From there, his research has extended into linguistics and history. His impetus stems from his early education, as he learned six languages by 10th grade and had to face political claims regarding “Divine Arabic” and “Divine Sanskrit,” and experienced the tragedies of the British division of India and its language.

RUMI Quotes

Philip Pullman, author of 'His Dark Materials' trilogy, has remarked that “after nourishment, shelter, and companionship, stories are the thing we need most in the world.” This new collection of Rumi stories fills that need. This fresh prose translation of 105 short teaching stories by Rumi, which form the core of the six-volume Masnavi, explores the hidden spiritual aspects of everyday experience. Rumi transforms the seemingly mundane events of daily life into profound Sufi teaching moments. These prose gems open the mystical portal to the world of the ancient mystic. These stories include well-known and popular tales such as “Angel of Death,” “The Sufi and His Cheating Wife,” “Moses and the Shepherd,” “Chickpeas,” and “The Greek and Chinese Painters” as well as the less commonly quoted parables: “The Basket Weaver,” “The Mud Eater,” and “A Sackful of Pebbles.” Rumi’s voice alternates between playful and authoritative, whether he is telling stories of ordinary lives or inviting the discerning reader to higher levels of introspection and attainment of transcendent values. Mafi’s translations delicately reflect the nuances of Rumi’s poetry while retaining the positive tone of all of Rumi’s writings, as well as the sense of suspense and drama that mark the essence of the Masnavi.
