India's Freedom

With his initial plans for an independent India in tatters, the desperate viceroy, Lord Mountbatten, turned to his seniormost Indian civil servant, Vappala Pangunni Menon—or VP—giving him a single night to devise an alternative, coherent and workable plan for independence. Menon met his stringent deadline, presenting the Menon Plan, which would change the map of the world forever.

Menon was unarguably the architect of the modern Indian state. Yet startlingly little is known about this bureaucrat, patriot and visionary. In this definitive biography, Menon’s great-granddaughter, Narayani Basu, rectifies this travesty. She takes us through the highs and lows of his career, from his determination to give women the right to vote; to his strategy, at once ruthless and subtle, to get the princely states to accede to India; to his decision to join forces with the Swatantra Party; to his final relegation to relative obscurity. Equally, the book candidly explores the man behind the public figure—his unconventional personal life and his private conflicts, which made him channel his energy into public service. Drawing from documents—scattered, unread and unresearched until now—and with unprecedented access to Menon’s papers and his taped off-the-record and explosively frank interviews—this remarkable biography of VP Menon not only covers the life and times of a man unjustly consigned to the footnotes of history but also changes our perception of how India, as we know it, came into being.
Life and Work of Sardar Vallabhbhai Patel

Sardar Vallabhbhai Patel consolidated the country into one united whole in a unique manner after independence. He was a man of iron will and absolute fearlessness. He tackled the question of more than 500 Native States, territories and principalities in a masterly strategic manner. He was a great statesman and humanitarian administrator who did social work by not spending tonnes of money in relief work. I.J. Patel worked as the Vice Chancellor of Sardar Patel University, Vidyanagar (Gujarat). He wrote many biographies, many of them got prestigious awards.

SARDAR VALLABHBHAI PATEL

This volume contains the biographical sketches of those freedom fighters who were hanged or killed in the course of our national struggle from 1857 to 1947.

Ekta Ki Brahmmurti Sardar Vallabhbhai Patel

Without wasting time on any further questions, Shankar dialled the telephone number of the Prime Minister's residence. Unfortunately, the Prime Minister had left for the radio station. Shankar rushed back to give the message to Sardar. Sardar impatiently said: "Shankar, leave immediately for the Radio Station. Go quickly. Try to hold back the Prime Minister's speech. By no means should the matter related to plebiscite and UNO be relayed. If this happens, the whole country will be put into a great trouble. If need be, cancel this programme. Please leave immediately." Having waded through the traffic on the way, Shankar reached finally to the radio station but he was late. The Prime Minister was reading his speech on the microphone. Shankar heard him referring to the plebiscite and UNO. The whole world was listening to it. Shankar banged his head. — Extract from this novel A biographical novel on the Iron Man of India Sardar Patel which brings to light various known-unknown facets of his inspiring life. His contribution and efforts for the unification of princely states laid the foundation for a sovereign Bharat. A must read book for every true Indian.

Nehru

Written towards the end of 1937 during his Europe trip, after being nominated the President of the Indian National Congress, An Indian Pilgrim traces Bose's life story from birth till his resignation from the Indian Civil Service. It is an astounding account of his ideological development and his singular focus on India's reconstruction in which Swami Vivekananda played a large part— "I was barely fifteen when Vivekananda entered my life. Then there followed a revolution within and everything was turned upside down." The book recounts the development of the spirit of service, sacrifice and zeal for national liberation, which were the driving forces of his life. We hope this publication will gain wide circulation so that the spirit of Subhas Chandra Bose becomes the guiding light of the country's youth in these disturbing times.
Sardar Vallabhbhai Patel

This biography of Sardar Vallabhbhai Patel is a comprehensive and vivid narration of his unique contribution to Mahatma Gandhi's struggle for India's freedom (1920-47). Without Sardar Vallabhbhai Patel's support, Mahatma Gandhi admitted, his satyagrahas wouldn't have had the same success. It was he who built the party machine through imposition of strict discipline and by giving it a mass base, and as party boss supervised and directed the functioning of the Congress ministries post-1937 provincial elections. The history of the Gandhian era cannot be complete and properly understood unless Patel is read and appreciated for what he did and achieved for India. This book is an attempt to fill that gap.

Biography of Sardar Vallabhbhai Patel

Sardar Vallabhbhai Patel, the Iron Man of India and great architect of modern India, is still alive in social and political fields of India. The work contains learned articles of renowned persons from India and some other countries of the world like M anoh

Sardar Patel

Vallabhbhai Jhaverbhai Patel occupies a prominent place among those heroic men and women who worked for India’s freedom and helped not only to win it but also to consolidate it. Although he came to public life only in his early forties, his thirty-three years of work in the cause of the nation is full of many-splendoured achievements. Along with Gandhiji, Jawaharlal Nehru and some other leaders, he dominated the politics of the country during the crucial thirty years from 1920 to 1950. He was not only a great leader of the masses but also a far-seeing statesman and an able administrator who handled with consummate mastery and finesse the complex problems facing the new Government. This pictorial biography brings out the glimpses of heroic life of Patel through rare archival photographs and facsimiles of letters. The book captures the powerful moments of his life – the childhood days, lawyer life, the valiant years of resolute nationalist struggle, his journeys to weave the country together and nation’s homage during his final journey. This pictorial biography will cement the continuing relevance of his legacy.

Sardar Vallabhbhai Patel

Bhagat Singh is a name that became synonymous with revolution in India’s struggle for Independence. This young boy brought about
a change in the way people thought about freedom. He was well read and fought extensively for rights – his own, his comrades’ and his countrymen’s. A discussion with a friend soon turned into a matter of self-assessment for Bhagat Singh, leading to a discourse on why he chose to be an atheist. Even in the face of death at a very young age, his uncanny observation leads to his putting forth some pertinent questions. On another occasion, he was disappointed with his father’s plea in court for his innocence and chose to write a letter to him. This book is a collection of eighteen of his valued writings from within the walls of prison and outside it, which show us the resolve in his words, and the bravery in his acts subsequently.

India Wins Freedom

SARDAR PATEL – A PICTORIAL BIOGRAPHY
The Sardar of India

There is perhaps no political figure in modern history who did more to secure and protect the Indian nation than Sardar Vallabhbhai Patel. But, ironically, seventy years after Patel brought together piece by piece the map of India by fusing the princely states with British India to create a new democratic, independent nation, little is understood or appreciated about Patel's enormous contribution to the making of India. Caricatured in political debate, all the nuances of Patel's difficult life and the daring choices he made are often lost, or worse, used as mere polemic. If Mahatma Gandhi was the spiritual core of India's freedom struggle and Jawaharlal Nehru its romantic idealism, it was Sardar Patel who brought in the vital pragmatism which held together the national movement and the first ideas of independent India. A naturally stoic man, Patel, unlike Gandhi or Nehru, wrote no personal history. He famously argued that it was better to create history than write it. This is why even his deepest misgivings and quarrels have been easily buried. But every warning that Patel left for India - from the dangers of allowing groups to create private militias to his thoughtful criticism on India's approach to Kashmir, Pakistan and China - are all dangerously relevant today. It is impossible to read about Patel, who died in 1950, and not feel that had he lived on, India might have been a different country. It is also impossible to ignore Patel and understand not only what the idea of India is but also what it could have been, and might be in the future. The Man Who Saved India is a sweeping, magisterial retelling of Sardar Patel's story. With fiercely detailed and pugnacious anecdotes, multiple award-winning, best-selling writer Hindol Sengupta brings alive Patel's determined life of struggle and his furious commitment to keep India safe. This book brings alive all the arguments, quarrels and clashes between some of the most determined people in Indian history and their battle to carve out an independent nation. Through ravages of a failing body broken by decades of abuse in and outside prison, Patel stands out in this book as the man who, even on his death bed, worked to save India. Hindol Sengupta's The Man Who Saved India is destined to define Patel's legacy for future generations.

India's Bismarck, Sardar Vallabhbhai Patel

The life of only those people in the world is purposeful who are able to dedicate a part or whole of their life in others’ good and service. Such great people have made special contribution in constructing the world’s history. In Bharat, in 1925 Rashtriya Swayamsevak Sangh was established to achieve the exalted goals of nationbuilding and individualbuilding. The work of the Rashtriya Swayamsevak Sangh has been progressing continuously. A large number of people have contributed in taking ahead this task. Prime Minister Shri Narendra Modi, a Swayamsevak himself, during his journey for refinement and transformation got an opportunity to come into contact
with a number of selfless and devoted people who dedicated every moment of their lives and every particle of their bodies in the service of the Motherland. Reminiscences of some greatest social workers who relentlessly and untiringly burnt their lives to glow the motherland Maa Bharati.

The Man Who Saved India

The ‘Iron Man of India’, Sardar Patel played a leading role in the Indian freedom struggle. One of the leaders of Indian National Congress and founding fathers of Republic of India, He was a strong-willed man. He fought for the rights of the farmers and proclaimed by them as their leader or ‘Sardar’. a barrister by profession, he was much influenced by Mahatma Gandhi and joined the freedom struggle. After independence, he successfully United various princely states of India to form a United India. His life is one of brilliance, fearlessness, resoluteness and, above all, strength of character. This iron-man had a soft and compassionate heart. His life inspires all to inculcate the qualities which make a man great.

On Vallabhabhai Jhaverbhai Patel, 1875-1950, Indian politician and statesman; articles and personal tributes.

The Best Of Tenali Raman

This book outlines Patel's crucial role in the integration of princely states into India, in saving the Kashmir valley from Pakistani raiders, and his perceptive and farsighted approach with respect to China, Tibet and Nepal. The book reproduces rare and unpublished correspondence from distinguished persons including Lord Mountbatten and K. P. S. Menon, among others. India's Bismarck explores the courageous and pivotal role of Sardar Patel in the creation of One India.

Why I am an Atheist and Other Works

This biography of Nehru is also a political history of India over the forty years of Nehru's involvement in the freedom movement and the politics of the formative years of Indian nationhood. It traces Nehru's political and psychological development, exploring the
complexities of his character. Brecher assesses Nehru as a leader and also his place in history.

**Sardar Vallabhbhai Patel**

This is the first-ever publication of the hitherto unknown diary of Sardar Patel's daughter. Maniben generally accompanied Patel everywhere and was present with the Sardar at most of his meetings. She was therefore privy to what transpired in these meetings and also to Sardar's views and innermost thoughts on various historic and sensitive issues which he often could not otherwise express even to his closest friends and colleagues. Then, too, having earlier spent many years looking after Gandhi, and possessed of high intelligence, Maniben understood both the context and the significance of the unfolding events and the dramatis personae of the times. The diary runs from 8 June 1936 till Sardar's death on 15 December 1950, and is particularly detailed after Patel's release from jail in 1945. It offers a wealth of often revealing, sometimes explosive details and insights into that defining period in India's history which encompasses the country's independence, partition, integration of the princely states, Gandhi's assassination, and then the initial, crucial years of India's self-governance, in all of which Patel's was an indispensable, pivotal role.

**Epic Tales from Ancient India**

Sardar Vallabhbhai Patel was a determined nationalist to enter into the Indian politics as the leader of the farmers. He was born on 31st October, 1875 in the village of Karamsad in Borsad block of the state of Gujarat. His father's name was Jhaber Bhai Patel and mother's name was Ladbai. His father was a farmer. His parents believed in the policy of simple living and high thinking. His parents brought up little Vallabh with love and care. The little child Vallabh had a wonderful sparkle in his eyes. He had every sign of greatness in him since his childhood.

**V P Menon**

Exploring the topic of narrativity in Indian art, this beautiful and deeply researched book considers illustrations to the Bhagavata Purana, the Ramayana, the Ragamala, and a range of texts in the Persian language, notably the Shahnama. Featuring stunning reproductions of paintings made between the sixteenth and nineteenth centuries from the Edwin Binney 3rd Collection at The San Diego Museum of Art, the publication includes thorough and fascinating explanations of the narrative of each text, including how that narrative is visually conveyed. Essays examine why these particular stories are so enduring, why patrons may have chosen to have a
copy of a particular text made for their own collections, and how artists responded to the challenge of creating new versions of venerable classics.

**Sardar Vallabhbhai Patel, the Nation Builder**

**WHO'S WHO OF INDIAN MARTYRS VOL.I**

A collection of short tales on Tenali Raman and his wisdom.

**Gandhi, Patel**

**The Story of Bardoli**

Contributed articles on the life and work of Vallabhbhai Patel, 1875-1950, politician and statesman from India.

**Inside Story of Sardar Patel**

This full account of the partition of India and the transfer of power from England begins with the outbreak of war in 1939 and ends with the transfer itself in 1947. Originally published in 1957. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

**The Collected Works of Sardar Vallabhbhai Patel**
Maulana Azad is considered one of the greatest Urdu writers of the 20th century. He has written many books including India Wins Freedom, Ghubar-e-Khatir, Tazkirah, Tarjumanul Quran, etc. It is often said that his book India wins Freedom is about his political life and Ghubar-e-Khatir deals with his social and spiritual life.
