New Dimensions in Women's Health

It's an essential workbook and exam review all in one! Corresponding to the chapters in Sorrentino and Remmert's comprehensive text, the Workbook and Competency Evaluation Review for Mosby's Textbook for Nursing Assistants, 10th Edition reinforces your understanding with numerous exercises and review questions — including matching, multiple-choice, labeling, crosswords, and mini case studies. Checklists for each of the 100+ procedures in the text help you study key skills. The Competency Evaluation Review section prepares you for the CNA exam with a review of content, a skills evaluation review, and two practice exams. Competency Evaluation Review provides content review, quizzes, and sample exams to help you prepare for certification. A wide variety of exercises, including matching, multiple-choice, labeling, crosswords, and mini case studies, reinforce learning. Procedure checklists prepare you for the skills demonstration portion of the certification exam. UPDATED! New chapter organization breaks material into manageable portions, improving your ability to retain important information.

Earthquake Geotechnical Engineering for Protection and Development of Environment and Constructions

Page 1/14
The adventure continues in book two of the stunning The Train to Impossible Places middle-grade fantasy series! Suzy Smith and her friends have gathered again for the re-launch of The Impossible Postal Express. The celebrations don’t last long though, before Trollville is rocked by a violent tremor—one of a series growing more powerful by the day. It’s clear something sinister is underfoot. Nevertheless Suzy’s got a long overdue package that the Express must deliver, and it may just lead her to some answers. In P. G. Bell’s The Great Brain Robbery: A Train to Impossible Places Novel, Suzy and the Express will travel deep under Trollville through the Uncanny Valley, and sky-high to new impossible places like Cloud Forge. She and the gang will test out its kinks, er, new features, and meet new allies and enemies alike, from a sentient cloud-consciousness to an obnoxious magician.

Puntos de partida: A n Invitation to Spanish

New Dimensions in Women’s Health is a comprehensive overview of all major dimensions of women’s health across the lifespan, providing various perspectives such as historical, epidemiological, sociocultural, and clinical issues for each topic. Data-driven chapters, with an emphasis on prevention and informed decision making, offer students broader sections of psychological dimensions, lifestyle and social dimensions, personal and sexual dimensions, and healthy dimensions for older women in order to create an effective style and structure for understanding the components of women’s health.

Foundations and Adult Health Nursing - E-Book

This money-saving package includes the 6th edition of Fuller: Surgical Technology Text, Workbook, and Nemitz: Surgical Instrumentation, 2e Package

Foundations of Nursing

Comprehensive coverage guides you through all of the information and skills needed by today’s support worker. Reader-friendly writing style makes it easy to understand the material. Chapter review questions test your comprehension of the learning objectives listed at the beginning of each chapter. DIPPS icons highlight the principles of support work: respecting and promoting the client’s Dignity, Independence, Individualized Care, Preferences, Privacy, and Safety. Focus on Canada’s multicultural population includes current health care statistics and demographics, including content on Canada’s Indigenous population. Procedure boxes include steps and rationales describing how and why a procedure is performed. Providing Compassionate Care boxes highlight the caring aspect of the support worker role. Case Study boxes apply concepts discussed in the text to real-life examples of support workers and clients. Focus on Children and Focus on Older Adults boxes provide age-specific information about the needs, considerations, and special circumstances of children and older adults. Focus on Long-Term Care boxes highlight information vital to providing competent care in the long-term care setting. Focus on Home Care boxes highlight information necessary for safe functioning in the home setting. Supporting boxes present client scenarios and discuss how PSWs make decisions and solve problems. Think About Safety boxes provide clear, concise, easy-to-follow advice on how to provide safe care to clients of all ages. Respecting Diversity boxes cover the influence of culture on health and illness practices and the importance of cultural sensitivity in support work. Critical Thinking in Practice sections at the end of each chapter present a realistic, practice-based challenge. Working in A cute Care chapter discusses this ever-expanding role of the support worker and describes how to perform delegated acts, including advanced tasks and problem-solving, the importance...
of consulting the client’s care plan, and working closely with one’s
supervisor for guidance. Body Structure and Function and Common Diseases and
Conditions chapters provide a solid foundation in anatomy and physiology,
physical changes related to aging, and disease processes. Mental Health
Disorders and Disorientation, Delirium, and Dementia chapters reflect the
DSM-5 (Diagnostic and Statistical Manual of Mental Disorders, 5th Edition).

experiences and developments, and aims at engineers, geologists and
seismologists, consultants, public and private contractors, local national and
international authorities, and to all those involved in research and practice
related to Earthquake Geotechnical Engineering.

**Mosby's Textbook for Nursing Assistants - Soft Cover Version**

This convenient, money-saving package includes Stassi's Basic Nurse Assisting,
1st edition, the workbook for Basic Nurse Assisting, and Mosby's Nursing
Assistant Skills DVD 3.0 - Student Version. With this special money-saving
package, you get the DVD for an additional $10.00!

**Mosby's Textbook for Nursing Assistants - E-Book**

Designed for the nonscience major, In Quest of the Universe, Sixth Edition, is
a comprehensive, student-friendly introduction to astronomy. This accessible
text guides readers through the development of historical and current
astronomical theories to provide a clear account of how science works.
Koupelis' distinct explanations acquaint students with their own solar system
before moving on to the stars and distant galaxies. This flexible approach
allows instructors to arrange the modules to fit their own course needs. With
numerous interactive learning tools, the Starry Night planetary software
package, and stunning visuals and up-to-date content, In Quest with the
Universe, Sixth Edition is an exciting overview of this ever-changing
discipline.

**Lippincott's Textbook for Nursing Assistants**

This textbook for nursing assistants will prepare students not only to
function in the traditional nursing assistant role in nursing homes,
hospitals, and home health, but also will prepare students to advance their
careers. A nursing assistant student who uses this text will have a firm
foundation by which to transition to an LPN and ultimately an RN role. The
text offers a compelling art program, a direct, conversational writing style,
and an emphasis on professionalism and humanism. A back-of-book CD-ROM
includes an audio glossary.

**Bitten**

An erotically charged, addictive thriller from the future queen of suspense.
Living in Toronto for a year, Elena is leading the normal life she has always
dreamed of, including a stable job as a journalist and a nice apartment shared
with her boyfriend. As the lone female werewolf in existence, only her secret
midnight prowls and her occasional inhuman cravings set her apart. Just one
year ago, life was very different. Adopted by the Pack when bitten, Elena had
spent years struggling with her resentment at having her life stolen away.
Torn between two worlds, and overwhelmed by the new passions coursing through
her body, her only option for control was to deny her awakening needs and
escape. But now the Pack has called Elena home to help them fight an alliance
of renegade werewolves who are bent on exposing and annihilating the Pack. And
although Elena is obliged to rejoin her “family,” she vows not to be swept up
in Pack life again, no matter how natural it might feel. She has made her
choice. Trouble is, she's increasingly uncertain if it's the right one. A n
erotically charged thriller, Bitten will awaken the voracious appetite of every reader, as the age-old battle between man and beast, between human and inhuman forces, comes to a head in one small town and within one woman's body.

**Sound on Sound**

This book discusses individual differences in how people react to uncertainty. The authors show that while some people are relatively comfortable dealing with uncertainty and strive to resolve it (uncertainty-oriented), others are more likely to avoid uncertainty, preferring the familiar or the known (certainty-oriented). They go on to examine the implications of an uncertainty orientation for understanding processes of self-knowledge, social cognition and attitude change, achievement, motivation and performance, interpersonal and group processes, and issues relating to physical and psychological health concerns. Research is discussed which links this uncertainty orientation to each of these issues, raising important practical and theoretical questions for each. The book also considers possible implications for people of both orientations of living in times that may be characterized as being uncertain.

**Surgical Technology - Text, Workbook, and Surgical Instrumentation Package**

This money-saving package includes the 3rd edition of Mosby's Canadian Textbook for the Support Worker and Evolve Workbook to accompany Mosby's Canadian Textbook for the Support Worker (User Guide and Access Code).

**Sorrentino's Canadian Textbook for the Support Worker E-Book**

Meet the ever-changing demands of providing quality nutritional care for patients across the lifespan. This popular text provides a strong foundation in the science of nutrition and a clear understanding of how to apply that knowledge in practice, recognizing the need for nurses to work with other healthcare professionals to ensure optimal nutrition in patient care.

**Foundations of Nursing - E-Book**

A re-telling of a rock-and-roll concert from several points of view, much like a song is re-recorded with "overdubs." A study of our media-generated culture and the cynical business of creating myths and hype. A first novel.

**Assisting with Patient Care**

Known for its comprehensive coverage, readability, and visual presentation, Mosby's Textbook for Nursing Assistants, 10th Edition helps prepare you to work in long-term care, acute care, and subacute care settings - and includes a practice scenario in each chapter to enhance clinical judgment skills. It is the most comprehensive text for CNA programs, packed with step-by-step instructions for over 100 procedures and perfect for programs that are 80 hours or longer. The lifespan coverage includes skills not only for adults and older residents, but also for maternity and pediatric patients, so you are comfortable in a variety of care settings. New chapter organization allows you to learn in manageable portions and a revitalized art program clarifies important concepts and procedural steps. A clear writing style at a 7th grade reading level ensures accessibility for low-level learners. Over 100 skills outlined in pre-procedure, procedure, and post-procedure sections ensure you learn all the necessary steps to pass the skills portion of the certification.
exam. Complete coverage of the knowledge and skills needed to pass the state certification exam and engage in safe practice. Focus on Practice: Problem Solving provides scenarios that stimulate critical thinking about common situations encountered during practice. Focus on Math feature reviews mathematical calculations needed in various care measures and procedures. Focus on Surveys feature highlights the nursing assistant's role during state inspections. Getting a Job chapter covers the soft skills needed to seek and obtain employment. Focus on PRIDE: The Person, Family, and Yourself boxes build on chapter concepts to help promote pride in the nursing assistant, the resident, and the resident's family. Promoting Safety and Comfort boxes emphasize the importance of the patient's or resident's safety and comfort. Delegation Guidelines detail the specifics of accepting delegated tasks. Focus on Children and Older Person boxes provide age-specific information about special needs, considerations, and circumstances of children and older persons. Focus on Long-Term Care and Home Care boxes highlight information vital to providing competent care in the long-term and home care settings. Focus on Communication boxes provide guidelines for how to clearly communicate with residents and avoid comments that might make them uncomfortable. Caring About Culture boxes contain information to help you learn about the various practices of other cultures. Teamwork and Time Management boxes provide specific guidelines to help nursing assistants work most efficiently whether independently or as part of the nursing team. Chapter review questions are a useful study guide found at the end of each chapter. UPDATED! Shorter, more focused chapters help you retain important concepts and skills covered in the NATCEP certification exam. NEW and UPDATED! New chapter organization breaks material into manageable portions, improving your ability to retain important information. UPDATED! Enhanced art program illustrates important content and procedures.

**Nursing Home Administration**

**Illustrated Guide to the National Electrical Code**

This uniquely effective guide helps readers master the 2014 National Electrical Code, using highly detailed, technically accurate illustrations to make even the most complex aspects of the Code easier to understand and apply. An experienced author, educator, and master electrician, Charles Miller translates the often vague, complicated language of the 2014 NEC into clear, simple instructions and visuals. Topics are organized logically and presented in a convenient, modular format for easy reference, beginning with fundamental concepts and progressing to requirements for various dwellings, from one-family homes to multi-family housing, commercial locations, and special occupancies. The Sixth Edition of this trusted resource provides thorough coverage of changes to the 2014 Code, as well as numerous new and updated illustrations, and additional material on renewable energy sources such as solar and wind power. Comprehensive coverage, an innovative learning approach perfect for today's visual learners, and accurate, up-to-date information make this valuable resource indispensable for beginning and experienced electricians, engineers, and other electrical professionals. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
Mosby's Canadian Textbook for the Support Worker - E-Book

This convenient, money-saving package is a must-have for nursing students! It includes Mosby's Textbook for Nursing Assistants, 7th edition text, and Mosby's Nurse Assisting Skills DVD.

Mosby's Essentials for Nursing Assistants - E-Book

With step-by-step instructions for over 100 nursing assistant procedures, Mosby's Textbook for Nursing Assistants, 8th Edition makes it easy to master the skills you need to succeed as a nursing assistant. Known for its visual approach and comprehensive, easy-to-read coverage, this market-leading text emphasizes the importance of the patient or resident as a person, communication, safety, comfort, effective delegation, and teamwork and time management. This edition provides expanded content on the person's rights and pressure ulcers. The updated companion CD includes three new procedures, an updated audio glossary, and more. Written by respected educator Sheila Sorrentino and expert co-author Leighann Remmert, Mosby's Textbook for Nursing Assistants makes nurse assisting easy to learn. Complete coverage includes the knowledge and skills needed by the nursing assistant. A clear, readable writing style is supplemented with hundreds of full-color photographs and illustrations. Over 100 procedures are divided into pre-procedure, procedure, and post-procedure sections for easier learning. Skills on the NNAAP® exam are highlighted throughout and have been updated to match the 2012 test plan. Delegation Guidelines identify your specific responsibilities in accepting commonly delegated tasks. Teamwork and Time Management boxes indicate ways you can efficiently work with and help nursing team members. Promoting Safety and Comfort boxes detail measures and cautions for providing safe, effective patient care. Caring About Culture boxes help you learn about the beliefs and customs of other cultures so you can provide appropriate care. Focus on Children and Older Persons boxes provide age-specific information about the special needs, considerations, and circumstances of children and older persons. Focus on Long-Term Care and Home Care boxes highlight information vital to providing competent care in these settings. Focus on Communication boxes provide guidelines for what to say and ask when communicating with residents, visitors, and the nursing team. Key abbreviations are included at the beginning of each chapter, with a comprehensive glossary at the back of the book. Key terms introduce chapter content with the important words and phrases. Chapter Review Questions are useful in guiding your study, reviewing what you have learned, and studying for a test or the competency evaluation. CD icons indicate skills included on the companion CD. Video clip icons indicate skills for which video clips are included on the free Evolve companion website. Video icons indicate skills included in the Mosby's Nursing Assistant Video Skills 3.0 DVDs (sold separately). The Workbook and Competency Evaluation Review corresponds to chapters in the text and encourages learning with a wide variety of exercises and activities that challenge you to remember what you've learned. It also includes over 100 checklists, one for each procedure in the textbook. The Competency Evaluation Review includes content review, skills evaluation review, and two practice exams. Sold separately. NEW! The Person's Rights and Pressure Ulcers chapters provides expanded information on these key areas. NEW Focus on PRIDE boxes highlight personal and professional responsibility, rights and respect, independence and social interaction, delegation and teamwork, and ethics and laws to help you promote pride in the person, family, and yourself. Two laminated, pocket-sized cards include information on normal vital signs, common measurement conversions, positioning, the 24-hour clock, and abdominal and lateral regions. Updated companion CD contains interactive procedures, including three new procedures.
learning exercises, an updated audio glossary, and a new Spanish audio
glossary with phrases and terms. An updated A&P review, Body Spectrum, is
available on the CD and on the Evolve companion website.

Davis's Comprehensive Manual of Laboratory and Diagnostic Tests with Nursing Implications

Part of the popular LPN Threads series, this comprehensive text prepares you
for safe and effective nursing practice in today's fast-paced healthcare
environment. Covering maternal and neonatal, pediatric, geriatric, mental
health, and community nursing, Foundations of Nursing, 6th Edition, includes
all of the essential LPN/LVN content you need. Companion CD includes
animations and audio clips depicting physiologic processes, physical
assessment video clips, an English/Spanish glossary with definitions and audio
pronunciations, an anatomy coloring book, and a fluid and electrolytes
tutorial. The consistent, logical framework of the nursing process connects
specific disorders to patient care. A mathematics review chapter provides a
complete review of basic arithmetic skills and practice in drug dosage
calculation to ensure safe medication administration. Safety Alert boxes help
you implement The Joint Commission's safety guidelines in all settings, with
considerations for special populations. Nursing Diagnosis boxes, screened and
highlighted in the text, include nursing diagnoses for specific disorders
paired with the appropriate nursing interventions. More than 100 skills in a
step-by-step format with full-color illustrations present clearly defined
nursing actions with rationales for the skills and techniques you'll use in
practice. Medication tables are meticulously detailed and provide quick access
to action, dosage, precautions, and nursing considerations for commonly used
drugs. Nursing Care Plans, presented in a case-study format, emphasize patient
goals and outcomes and end with Critical Thinking Questions to develop your
clinical decision-making skills. Coordinated Care boxes emphasize parameters
for prioritizing tasks, as well as assigning tasks to and supervising
unlicensed assistive personnel. Patient Teaching boxes and Family Teaching
boxes include post-hospital discharge guidelines and disease prevention
instructions with a strong focus on three-way communication among the nurse,
patient, and family members. Life Span Considerations for Older Adults boxes
provide age-specific information for the care of the aging population, which
is often the primary focus of the LPN/LVN nurse. Home Care Considerations
boxes discuss the issues facing patients and caregivers in the home health
care setting. Health Promotion boxes provide key information on staying
healthy and preventing disease, with tips on wellness from Healthy People 2010.
Cultural Considerations boxes discuss how to address the health needs of
a culturally diverse patient population when planning care. Enhanced focus on
the NCLEX® Examination offers end-of-chapter Get Ready for the NCLEX
Examination! sections with key points for self-guided study and remediation
and an extensive set of review questions for thorough self-assessment.
Additional review questions on Evolve provide instant feedback with correct
answer and rationale for even more test-taking practice. Evidence-Based
Practice boxes summarize the latest research findings and highlight how they
apply to LPN/LVN practice. Updated, vibrant full-color design highlights key
information and enhances your understanding of important concepts.

Commitment, Conflict, and Caring

Mosby's Textbook for Nursing Assistants (Soft Cover Version) - Text and Mosby's Nursing Assistant Video Skills - Student Version DVD 3.0 Package

"[The book] lists all the federal requirements that are evaluated by state surveyors during the annual survey visit to nursing homes and for complaint visits. The exhibit section contains forms used by surveyors to gather data during the survey visit. Visually, the format makes the regulations easy to read. If nursing home staff used the book to prepare for a survey, they would be well prepared." Marcia Flesner, PhD, RN, MHCA University of Missouri-Columbia From Doody's Review The Federal government, together with more than 50 advocacy groups, has spent the past 40 years writing and refining the rules and guidelines in this manual. This book presents the latest federal guidelines and protocols used by federal surveyors in certifying facilities for participation in Medicare and Medicaid funding. It is an essential resource for long-term care facilities to have on hand to be ready for a survey at any time. It provides information straight from CMS's Internet-Only Manual-in print and at your fingertips for easy access. Divided into four accessible and user-friendly parts, this manual includes: Federal requirements and interpretive guidelines Rules for conducting the survey Summary of the requirements for long-term care facilities and surveyors CMS forms commonly used by surveyors This newly updated and revised edition spans every aspect and service of a nursing home and represents the latest requirements to ensure that outstanding quality assurance and risk management programs are in place. New to This Edition: Section on how to use manual Summarization of federal requirements Updated definitions of Medicare and Medicaid Compliance requirements with Title VI of the Civil Rights Act of 1964 SNF/Hospice requirements when SNF serves hospice patients SNF-based home health agencies Life safety code requirements Changes in SNF provider status Surveyor qualifications standards Management of complaints and incidents New medical director guidelines

Mosby's Textbook for Nursing Assistants - Textbook and Workbook Package

Basic Geriatric Nursing - E-Book

Prepare for a successful career in caring for geriatric populations! Williams'
Basic Geriatric Nursing, 7th edition is an easy-to-read text which presents
theories and concepts of aging along with appropriate nursing
interventions. This comprehensive book helps you understand the unique
physiologic and psychosocial changes that affect the elderly adult. Threaded
throughout this new edition are practical QSEN boxes and Nurse Alert features,
which highlight safety, cultural considerations, health promotion, coordinated
care, and home care specific to elderly patients. In addition, an online Study
Guide, NCLEX®-PN review questions, and real-world clinical situation boxes
help you to study for exams and apply concepts to practice. Coordinated Care
boxes address such topics as restraints, elder abuse, and end-of-life care as
related to responsibilities of nursing assistants and other health care
workers who are supervised by LPN/LVNs. Clinical Situation boxes present
patient scenarios with lessons for appropriate nursing care and patient
sensitivity. UNIQUE! A FREE Study Guide, presented in a comprehensive PDF
format on Evolve, reinforces your understanding. 10th grade reading level
makes learning easier for you. Nursing Care Plans include Critical Thinking
boxes to help you to assimilate and synthesize information. Nursing Process
sections provide a framework for the discussion of the nursing care of the
elderly patient as related to specific disorders. Cultural Considerations
throughout text cover biocultural variations as well as health promotion for
specific ethnic groups so you can provide culturally competent care. Health
Promotion and Patient Teaching boxes highlight health promotion, disease
prevention, and age-specific interventions. Home Health Considerations boxes
provide information on home health care for the older adult. NEW! QSEN boxes
provide you with the knowledge, skills, and attitudes necessary to
continuously improve the quality and safety of care of the older adult. NEW!
Nurse Alert feature emphasizes important safety and health promotion content
specific to the elderly patient. NEW! Updated and expanded art program makes
learning the material easier through clear and timely photographs and
illustrations.

Nursing-focused and easy-to-read, this full-color manual delivers all the
information you need to understand how tests work, interpret their results,
and provide quality patient care—pre-test, intra-test, and post-test.

Workbook

A middle-grade fantasy and nonstop adventure, The Train to Impossible Places
by debut author P. G. Bell is as fun as it is full of heart, and the first
book of a trilogy. A train that travels through impossible places. A boy
trapped in a snow globe. A girl who’s about to go on the adventure of a
time. The Impossible Postal Express is no ordinary train. It’s a troll-
operated delivery service that runs everywhere from ocean-bottom shipwrecks,
to Trollville, to space. But when this impossible train comes roaring through Suzy's living room, her world turns upside down. After sneaking on board, Suzy suddenly finds herself Deputy Post Master aboard the train, and faced with her first delivery—to the evil Lady Crepuscula. Then, the package itself begs Suzy not to deliver him. A talking snow globe, Frederick has information Crepuscula could use to take over the entire Union of Impossible Places. But when protecting Frederick means putting her friends in danger, Suzy has to make a difficult choice—with the fate of the entire Union at stake.

**The Train to Impossible Places: A Cursed Delivery**

Part of the popular LPN Threads series, this comprehensive text prepares you for safe and effective nursing practice in today's fast-paced healthcare environment. Covering maternal and neonatal, pediatric, geriatric, mental health, and community nursing, Foundations of Nursing, 6th Edition, includes all of the essential LPN/LVN content you need. Companion CD includes animations and audio clips depicting physiologic processes, physical assessment video clips, an English/Spanish glossary with definitions and audio pronunciations, an anatomy coloring book, and a fluid and electrolytes tutorial. NEW YORK TIMES BESTSELLER * "From The New Yorker's beloved cultural critic comes a bold, unflinching collection of essays about self-deception, examining everything from scammer culture to reality television."--Esquire "A whip-smart, challenging book."--Zadie Smith * "Jia Tolentino could be the Joan Didion of our time."--Vulture FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE'S JOHN LEONARD PRIZE FOR BEST FIRST BOOK * NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK PUBLIC LIBRARY AND HARVARD CRIMSON AND ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review * Time * Chicago Tribune * The Washington Post * NPR * Variety * Esquire * Vox * Elle * Glamour * GQ * Good Housekeeping * The Paris Review * Paste * Town & Country * BookPage * Kirkus Reviews * BookRiot * Shelf Awareness Jia Tolentino is a peerless voice of her generation, tackling the conflicts, contradictions, and sea changes that define us and our time. Now, in this dazzling collection of nine entirely original essays, written with a rare combination of give and sharpness, she delves into the forces that warp our vision, demonstrating an unparalleled stylistic potency and critical dexterity. Trick Mirror is an enlightening, unforgettable trip through the river of self-delusion that surges just beneath the surface of our lives. This is a book about the incentives that shape us, and about how hard it is to see ourselves clearly through a culture that revolves around the self. In each essay, Tolentino writes about a cultural prism: the rise of the nightmare social internet; the advent of scamming as the definitive millennial ethos; the literary heroine's journey from brave to blank to bitter; the punitive dream of optimization, which insists that everything, including our bodies, should become more efficient and beautiful until we die. Gleaming with Tolentino's sense of humor and capacity to elucidate the impossibly complex in an instant, and marked by her desire to treat the reader with profound honesty, Trick Mirror is an instant classic of the worst decade yet. FINALIST FOR THE PEN/DIAMONSTEIN-SPIELVOGEL AWARD FOR THE ART OF THE ESSAY

Psychology: The Science of Mind and Behaviour 7th Edition

Provides the essential foundation for psychology students, this is a revised and updated version of the most trusted introduction written by the bestselling psychology author Richard Gross. The Great Brain Robbery: A Train to Impossible Places Novel

Known for its comprehensive coverage, readability, and visual presentation, Mosby's Textbook for Nursing Assistants, 10th Edition helps prepare you to work in long-term care, acute care, and subacute care settings — and includes a practice scenario in each chapter to enhance clinical judgment skills. It is the most comprehensive text for CNA programs, packed with step-by-step instructions for over 100 procedures and perfect for programs that are 80 hours or longer. The lifespan coverage includes skills not only for adults and older residents, but also for maternity and pediatric patients, so you are comfortable in a variety of care settings. New chapter organization allows you to learn in manageable portions and a revitalized art program clarifies
important concepts and procedural steps. A clear writing style at a 7th grade reading level ensures accessibility for low-level learners. Over 100 skills outlined in pre-procedure, procedure, and post-procedure sections ensure you learn all the necessary steps to pass the skills portion of the certification exam. Complete coverage of the knowledge and skills needed to pass the state certification exam and engage in safe practice. Focus on Practice: Problem Solving provides scenarios that stimulate critical thinking about common situations encountered during practice. Focus on Math feature reviews mathematical calculations needed in various care measures and procedures. Focus on Surveys feature highlights the nursing assistant’s role during state inspections. Getting a Job chapter covers the soft skills needed to seek and obtain employment. Focus on PRIDE: The Person, Family, and Yourself boxes build on chapter concepts to help promote pride in the nursing assistant, the resident, and the resident’s family. Promoting Safety and Comfort boxes emphasize the importance of the patient’s or resident’s safety and comfort. Delegation Guidelines detail the specifics of accepting delegated tasks. Focus on Children and Older Person boxes provide age-specific information about special needs, considerations, and circumstances of children and older persons. Focus on Long-Term Care and Home Care boxes highlight information vital to providing competent care in the long-term and home care settings. Focus on Communication boxes provide guidelines for how to clearly communicate with residents and avoid comments that might make them uncomfortable. Caring About Culture boxes contain information to help you learn about the various practices of other cultures. Teamwork and Time Management boxes provide specific guidelines to help nursing assistants work most efficiently whether independently or as part of the nursing team. Chapter review questions are a useful study guide found at the end of each chapter.

**Trick Mirror**

Contains the knowledge essential to prepare for licensure and employment as a nursing home administrator. Using as its basis the guidelines of the National Association of Boards of Examiners of Nursing Home Administrators, this work includes sections on: Distinguishing delirium from dementia; Psychosis from agitation; GERD; and Glycemic control.

**The Uncertain Mind**

Designed for shorter programs of 85 hours or fewer, Mosby's Essentials for Nursing Assistants, 6th Edition provides coverage of the concepts and skills that are essential for becoming a nursing assistant. Known for its reader-friendly approach, and bright visual presentation, the text covers OBRA-mandated content including step-by-step procedures for 76 skills covered on the latest NATSEP certification exams. With focus on quality of life in the patient/person and self-pride in the nursing assistant this concise text emphasizes the importance of treating residents with respect while providing safe, competent, and efficient care. New features include Focus on Math to help you master the formulas and calculations necessary for safe and effective caregiving and Focus on Pride: Application, which directs you to focus on residents’ emotional and mental needs during specific procedures. Over 75 procedures boxes are divided into step-by-step format with instructions for performing each skill, including Quality of Life courtesies, Pre-procedure, Procedure, and Post-Procedure sections to make learning critical skills easier. Concise coverage of nursing assistant content written at a 7th grade reading level that’s ideal and easy to use in classes with shorter hour requirements. Promoting Safety and Comfort boxes highlight important considerations for providing safe and effective care while promoting patient
comfort. Focus on PRIDE boxes highlight personal and professional responsibility, rights and respect, independence and social interaction, delegation and teamwork, and ethics and laws, encouraging you to promote pride in the person, family, and themselves. Caring about Culture boxes contain information to help you learn about the various practices of other cultures. Focus on Practice boxes at the end of each chapter present short case scenarios with questions so students can consider practical applications for providing patient care. Focus on Communication boxes suggest what to say and questions to ask when interacting with patients, residents, visitors, and the nursing team to ensure clear communication in practice. Delegation Guidelines identify the nursing assistant's specific responsibilities in accepting commonly delegated tasks. NEW! Getting a Job chapter describes the professional skills you need for seeking and landing a job after certification. NEW! Focus on Math feature increases your critical thinking and calculation skills to assist you in performing a variety of procedures. NEW! Urinary Catheters chapter focuses on safety concerns surrounding perineal care. NEW! Content on electronic communication covers safety rules and wrongful use of electronic communication methods including cell phones and social media. NEW! Focus on Pride: Application examines residents' emotional and mental wellbeing during care for specific issues.
